

UISENIS POWER LIMITED

Electricity Act 1989

Town And Country Planning (Scotland) Act 1997

The Electricity Works (Environmental Impact Assessment) (Scotland) Regulations 2017

Notice is hereby given that Uisenis Power Limited, company registration number SC389045, with its registered office at 58 Morrison Street, C/O Anderson Strathern, Edinburgh, Scotland, EH3 8BP, has submitted additional information to the Scottish Ministers in relation to the application for consent under section 36 of the Electricity Act 1989 to construct and operate Uisenis Wind Farm on land within the Eisgein (Eishken) Estate, approximately 20km south west of Stornoway, on the Isle of Lewis (Central Grid Reference NB 31366 12772). The installed capacity of the proposed generating station would be over 50 megawatts (MW) (in the region of 165MW), comprising 25 turbines - 22 turbines with a ground to blade tip height of 200 metres; and 3 turbines with a ground to blade tip height of 180 metres. The proposed development represents a re-design of the consented 45 turbine Muaitheabhal Wind Farm scheme (including southern and eastern extensions). The proposed development is subject to Environmental Impact Assessment. An EIA Report has been produced to accompany the application for consent.

The Company has also asked that Scottish Ministers give a direction under section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission for the development be deemed to be granted.

Uisenis Power Limited has now submitted additional information to Scottish Ministers, which includes information relating to the amendment of the proposed site layout (amendments include changes to wind turbine locations, access track alignment, borrow pits, temporary construction compounds, and substation compounds), and revisions to the habitat restoration and enhancement proposed.

Copies of the additional information and the application ('the information') are available for public inspection in person, free of charge, during normal office hours at the following facilities:

Copies of the additional information may be obtained from SLR Consulting Limited, Office 4.04, Clockwise Offices, Savoy Tower, 77 Renfrew St, Glasgow, G2 3BZ (Tel: 07718 482 283) at a charge of £500 per hard copy and £15 on CD/DVD or USB. Copies of a short non-technical summary are available free of charge.

All previous representations received by Scottish Ministers in relation to the above application will still be considered.

Any new representations may be submitted to Scottish Ministers via the Scottish Government Energy Consents Unit, by email to Representations@gov.scot; or by post to Scottish Government Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation.

Written or emailed representations should be dated, clearly stating the name (in block capitals) and full postal address of those making representations. Emailed representations should also include the full return email address of those making representations. Only representations sent by email to Representations@gov.scot will receive acknowledgement.

All representations should be received not later than **Friday the 23rd of August 2024** although Ministers may consider representations received after this date.

Any subsequent additional information which is submitted by the developer will be subject to further public notice in this manner, and representations to such information will be accepted as per this notice.

As a result of a statutory objection from the relevant planning authority, or where Scottish Ministers decide to exercise their discretion to do so, Scottish Ministers can also cause a public inquiry to be held.

Following examination of the environmental information, Scottish Ministers will determine the application for consent in one of two ways: consent the proposal (with or without conditions attached), or reject the proposal.
