What we work with

- Investment in renewable energy
- Project development
- Asset Management
- Green power sales

Meet our people

Jonas Michaelsen,
Technical Operations Manager,
Bachelor in Technology Management
and Marine Engineering.

“

What characterises EWE is the team spirit. Here we help each other and grow together - and this is exactly why I love coming to work every morning. It doesn't matter if you have been here a month or a year, your opinions and ideas matter the same. We all support each other.

”

Your benefits at Eurowind Energy

- Flexible working hours
- Remote work
- Personal and professional development
- International environment
- Bonus scheme
- Work with green challenges together with us

“

I'm excited to be part of the team at EWE and their journey towards a greener future. The amount of responsibility I have in my position is so much bigger than I had anticipated. There is a lot of freedom under responsibility, and people trust you.

Freja Knage Damsgaard,
Graduate, Change Manager,
IT Management, Cand.IT
